Dear Mr. Stefko:

*Dave*

As a long-time member of the Greater San Fernando Valley Chamber, Eberhard Roofing is one of our Captains of Industry honorees. This award not only commemorates the Chamber's 99 year history, it honors our long-time members for their contributions to the economic vitality of the San Fernando Valley and their continued support of the Chamber. Thank you for being part of that very special group!

While you weren't able to join us at the 2010 Inaugural Ball on April 17, we want to show our appreciation by presenting you with this plaque for you to display at your office, as well as a certificate from Senator Carol Liu and Senator Alex Padilla recognizing Eberhard Roofing as one of the Chamber's Captains of Industry.

In the next few months, you'll also receive a call from the Chamber to set up time for a short video interview we'd like to display on the Chamber's website recognizing all of the Captains of Industry honorees.

We are the strong organization you know today because of the long-time support and dedication of businesses such as yours. Thank you for being such an important part of the Chamber's history.

Best regards,

*Nancy*
